

Youth Work... The Mail Out 15th May 2008

It is sad that these young people are likely to lose their only link with Christianity unless some people come forward. The team last week was made up of 3, two of whom are leaving. Can we as a network offer any help to Steve?

I have offered to join this group on a rota once a month, and Steve is hoping that we can find 7 more people to do the same. If you can spare a Wednesday evening between 7.30-9pm once a month please be in touch with Steve on: 07751384297. Thank you.
