

New Bishop New Book 7th Jul 2008

Christopher Cocksworth has now become Bishop of Coventry. It's been a busy year for him as he's also just had his new book 'Holding Together' published by Canterbury Press. 'This long awaited and timely book explores the notion that biblical Gospel, catholic Church and powerful Spirit are the fundamental realities of Christian existence that all traditions need to experience together. Here, often sharply contrasting positions in evangelical and catholic theology face each other so that they can listen to each other in the Spirit and discover their fundamental complementarity.' (Quote from the rear cover). The book costs £16.99 and is now available at the Coventry store of wesley Owen as well as other Christian bookshops
