Travel to Offa House

Offa House is next to the church at Offchurch near Leamington Spa. The nearest railway station is Leamington Spa, taxis from there cost about £8.

By motorway

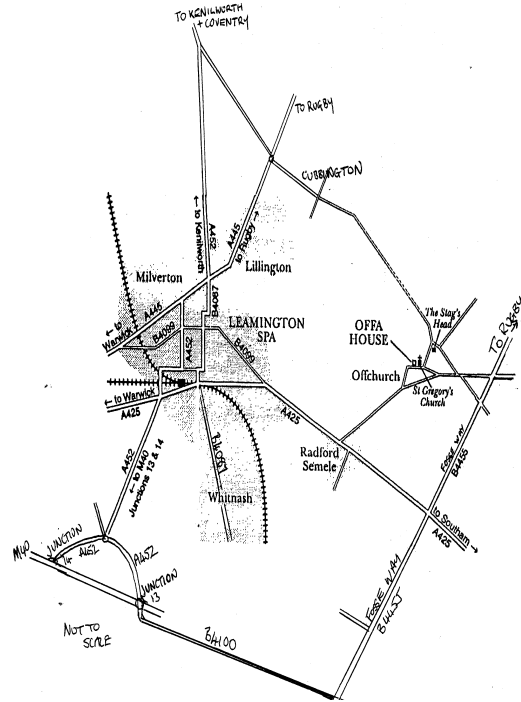

Leave the M40 at junction 13 (coming from S/E), or junction 14 (coming from N/W). Follow signs for Leamington Spa and on entering Leamington Spa follow Southam A425 signs. On reaching Radford Semele (2 miles), turn left into Offchurch Lane (signposted opposite White Lion Pub). After another mile take the left turn (signposted "Offchurch"), bear sharp right at the bend at the top of the hill and Offa House is left just before the Church, there is a green sign board outside.

From the Fosse Way

Offchurch is signposted from the Fosse Way (B4456). On entering the village turn left up the hill by the Stags Head Pub and right at the top of the hill and immediately right again next to the church.

From Coventry

Follow the A46 Warwick road, take the A452 Leamington exit and follow signs for Cubbington and then Offchurch (all straight on). On crossing the bridge into the village turn right up the hill by the Stags Head Pub and right at the top of the hill and immediately right next to the Church.
