25th September 2009

Dear Colleague

We are inviting you to join us again for a half-day workshop to explore:

What Sacraments do I discover at Work ?

This invitation is going to all Readers, OLMs and NSMs in Coventry Diocese, on behalf of the discussion group – the majority of the participants have been Readers, who have found it very helpful in expanding their vision of their Ministry in their “Work” - paid or unpaid. A previous participant said:

“I hadn’t thought of connecting work with sacraments but this was a very useful exercise. It helped me look at my work in a different way – to realise God present in it – to realise more deeply the holiness in it – to see the sacramental nature – and things that may be ordinary but are important.”

Saturday 21st November 2009

From 9 am to 12.30 pm

Chapter House at St Margaret’s, Whitnash Tea and coffee will be available.

Followed by lunch at a local pub and at own cost for those who would like to stay.

Ministry where you Work ?

This is the latest in a series of seminars under this theme. The programme will allow time to talk about what you actually do at work, and to explore how this might be Ministry. In particular, we shall explore the sacraments we discover in the course of our work. As well as talking together, we shall work in small groups and allow time for individual reflection. There will also be time for prayer, focussed on the issues of our workplaces.

We hope you will want to come. There is no charge for this. Please return the slip below before 14th November if you would like to join us, and do please contact me if you would like more information.

With best wishes

Felicity Smith
