# **HOPE FUND**

## **Christmas Appeal 2009**

### **to support the work of Coventry Night Shelter**

The Hope Destitution Fund was launched earlier this year by the Lord Mayor, the Bishop of Coventry and the Refugee Centre to provide food, clothing and emergency support for destitute asylum seekers in the Coventry area.

The Shelter is the only place in Coventry open every night of the year to offer them warmth, food and somewhere safe to sleep.

*Some asylum seekers who have been refused cannot return to their country for fear of their lives or because their country will not accept them back. They are not allowed to work or receive benefits. They become homeless without any means of support.*

Cheques should be made payable to 'Coventry Refugee Centre' and marked on the back '**HOPE FUND CHRISTMAS APPEAL**'.

They should be sent to:  
Coventry Refugee Centre, 15 Bishop Street, Coventry CV1 1HU

*All the funds raised will go to the Coventry Peace House Night Shelter.
