Wells Dug in 2015

BAYAN DUTSE NARAYI WELL

The well at BAYAN DUTSE NARAYI was dug in 2016.

Is was sponsored by St. Peter's Kineton.

This church is located in the southern part of the state which has suffered many years of neglect by the government because it is predominantly Christian. The church is currently constructing a vicarage and is in dear need for water in order to have a good house. The well is already serving a community of over 400 people
