

**DIOCESE^{OF}
COVENTRY**

The Diocese of Coventry invites
applications for the role of

2 X PRIEST IN CHARGE

The Bridges Group, Warwickshire

The six rural parishes of the Bridges Group are working together as two legal benefices each prayerfully seeking two House for Duty Priests in Charge. Set in the beautiful South Warwickshire countryside and connected by the waterways (with their distinctive Bridges), the parishes are all within easy reach of Coventry, Stratford upon Avon, Banbury, Rugby, Warwick and Leamington Spa.

Supported by an experienced team of commissioned lay leaders, a Reader and group administrator, we seek:

- Priests committed to collaborative working across both benefices.
- Ministers with a passion for rural ministry able to communicate the gospel in a variety of settings and with a wide range of people and ages.
- Leaders who can recognise, encourage and release the missional potential of our churches and communities and enable more people to use their gifts in God's service.
- Pastors who enjoy spending time and having fun with people where they are; in their homes, in school and down the pub.

We would just love you to call us and find out more.

**Informal conversations very welcome with the
Acting Archdeacon Pastor Tim Cockell, on 07365 200354
(Tim.Cockell@Coventry.Anglican.org)**
